Notice of Collection

This registration system is managed by Ontario Health (the “**Agency**”), the corporation established under *The Connecting Care Act, 2019* to manage health service needs across Ontario. The collection of personal information by the Agency is governed by the *Freedom of Information and Protection of Privacy Act*, under which the Agency may collect personal information whenever the collection is necessary for the proper administration of its authorized activities. The Agency collects personal information in order to register individuals to use the services it provides, including its information technology infrastructure, to verify the identity of such individuals, and to maintain and administer the registration of such individuals.

As part of your ONEID account activation, your personal information is being collected to register you to use the services provided by the Agency, to verify your identity whenever you use these services, and to maintain and administer your registration to use these services. In order to activate your ONEID account, you need to consent to this collection, below.

If you have any questions, or for further information about the collection described above, please contact the Privacy Office of Ontario Health at: Privacy and Security at Ontario Health, P.O. Box 148, 777 Bay Street, Suite 701, Toronto, Ontario M5G 2C8, Tel: (416) 586-6500.

I confirm that the details above are correct. I consent to the collection, use, and disclosure of my personal information for the purposes described above.

This is intended for your review only. Acknowledgement is made via the ONE ID system.
